News Update June, 2012

RENOVATION UPDATE!

Sorry about the lateness of our newsletter. We only got our "store" computer up and running yesterday! We have completed the new "Retail" store as well as Sarah's "Reading" and "Treatment" rooms! The "Classroom" is expected to be finished tomorrow and then the "Office"! We will be having a "Grand Opening" sometime in July (Date will be announced in July newsletter... which WILL come out near July 1st ...lol)

EXTRA SPECIAL THANKS to Tanya and Flo for their help with the renovation and their continued support!!

Sarah had a very fulfilling week-long course on Mastering Mediumship in New York with James Van Praagh! She has learned many new things and her Medium Sessions are more detailed than ever! For those not sure of the difference: Psychic Readings give information obtained through "psychic" methods, such as oracle/tarot cards or psychometry for example. Medium sessions give information directly from loved ones on the other side. James

Van Praagh suggests that Mediumship Sessions be valued at a higher amount because of the higher level of detail conveyed in the session. So, come in and request your "Mediumship" session before the price goes up!
