We would like to congratulate Simon Thwaites (simon@brightlantern.ca) of the SSF on the release of his first book: "**Forgotten Wisdom**"

Have you ever wondered why you have a favorite item you love to wear?

Perhaps you been thinking of getting a tattoo-why is it something you absolutely need to have?

How about that little black dress or power suit you've been wearing to work. Why do they make us feel "different"? After all, it's just clothing or jewelry?

Forgotten Wisdom answers those questions and reveals the how and why of what we choose to wear. The most innocent of gifts has much deeper meta-physical meaning which, if you understand, can be used to enhance your life.

It is now available for sale here at the store!!
Get your copy now and help support our local artists!

If you provide a "holistic" service to the community, please check out the "Community" website at www.NSHolisticHealer.ca. Its' purpose is to give everyone a place to advertise what they do and how they can be reached. If you want to advertise yourself or your business under the Healers page, send me an email with the information (there is a link on the site). If you're not sure what information to provide, check out one of the other entries for an idea. There is an online calendar on the site that will allow everyone to enter their own events. There is no charge for this service; I just want the community to have a place where they can advertise. Just consider it an "online" bulletin board for you to "stick" for business card on!

If you shop at Sobeys; please bring us your receipts! We are collecting them to benefit [S.H.A.I.D. Tree Animal Shelter](#) in Bridgewater.

Check the calendar often for last minute changes to events!

Hope to see you soon,
Sarah Findley **RH, INHA**
