If you provide a "holistic" service to the community, please check out the "Community" website at [www.NSHolisticHealer.ca](http://www.NSHolisticHealer.ca). Its' purpose is to give everyone a place to advertise what they do and how they can be reached. If you want to advertise yourself or your business under the Healers page, send me an email with the information (there is a link on the site). If you're not sure what information to provide, check out one of the other entries for an idea. There is an online calendar on the site that will allow everyone to enter their own events. There is no charge for this service; I just want the community to have a place where they can advertise. Just consider it an "online" bulletin board for you to "stick" for business card on!

Check the calendar often for last minute changes to events!

**Hope to see you soon,

& Tom Findley**
